

List of Canadian postal codes considered as Beyond Points

Certain Rural and non metropolitan areas are considered "Beyond Points" and may incur additional surcharges.

This list is not all inclusive. For an accurate surcharge on a specific postal code, please contact our Customer Service Team.

Note that these surcharges will not be reflected on your estimate cost of shipping online. A longer transit may be incurred.

Please note that certain destinations within these postal codes below, may bring additional fees to these surcharges.

A 5\$ minimum surcharge is applicable for all postal codes with a "0" as a second digit.
